Presents

## Dealing with Hyperactive and Nervous/Timid Dogs

### Speaker: Sandy Lack

#### **Dealing with hyperactive or over the top dogs.**

We've all had them, the lunging, barking dog in class. This talk covers how to deal with these dogs and to teach the dog to be calm and focused.

#### **Dealing with anxious/timid dogs**

How to recognize an anxious/timid dog and how to teach the dog to have more confidence so it can focus on the task at hand.

#### **About Sandy:**

Sandy is a fully qualified Canine Good Citizen™ instructor with Delta.

Sandy has been training dogs for over 16 years and has had over 8 years experience with the RSPCA. She has even appeared on Animal Hospital!! She also studied Auslan (sign language) to enable her to assist hearing impaired people with their dogs.

Sandy decided to become a dog training instructor when she worked at the RSPCA and saw how many dogs were surrendered due to behaviour problems.

Sandy is a member of the RSPCA, the Delta Society and the Association of Pet Dog Trainers.
